# Woodland Cavaliers

## Adoption Application

In choosing a Cavalier King Charles Spaniel as your new family member, you are making a commitment to care for him all of his LIFE! Please research the breed. All of our dogs have OFA certification on their hearts by a cardiologist and receive an OFA certification yearly before breeding.

All of our dogs are from AKC Champion lines. These dog are my passion. Puppies will only be placed into homes where they will be cherished and pampered! ALL PUPPIES ARE TO BE SPAYED OR NEUTURED. Each puppy is evaluated for type and temperament on a continuing bases as they grow. Prices will reflect on markings and pedigree. We try to match the puppy with your family and lifestyle. You are not just getting a pet, you are getting another family member and we want that match to be for life! We will keep some puppies to continue our wonderful lines.

**Thank you for considering one of our puppies. Remember that all puppies are cute, but require a sincere commitment from you for the rest of their lives!**

Please tell us a little about yourselves. (family, and ages of children)

Time frame for getting a puppy?

Puppy/color/sex

Other pets/if yes what kind and age?

Do you work full or part time?

(Did you know that Cavaliers are breed for companionship and are not happy left alone? So they would need other pets in your home or for you to be home with them a lot.)

How many hours a day will your cavalier be alone during the day?

Is your yard fenced?

Do you have a pool? If so, is it fenced?

Have read any books on Cavalier King Charles?

Do you have any allergies to pets? (Cavaliers shed one hair at a time like humans and need a quick brushing every few days.)

Will you keep in contact with us and keep us updated on the puppy growth and send us occasional photos throughout the dog's life?

Have you ever had to re-home a pet before?

If yes, why?

We would like to get a match for you and your future pup. Your name will be added to our waiting list, but feel free to email me to check in to see what pups are going to be born. [woodlandcavaliers@gmail.com](mailto:woodlandcavaliers@gmail.com)
